ABOUT THIS PROPERTY

Diamantina is an original Peter McIntyre chalet nestled within the Victorian Alps. The chalet is ideal for four people and has been recently renovated to ensure your stay is comfortable, whilst still holding the endearing qualities we have come to expect of McIntyre's work. With exposed beams and a large open fireplace, Diamantina provides a cosy atmosphere perfect for a trip away any time of the year.

Step just outside your front door to restaurants, cafes and the beginners' ski run.
